Subject: Lagunitas-Nicasio Creek

Dear Mr. Turner,

In reply to your request for confirmation and additional information regarding Salmon and Steelhead stocking in Lagunitas-Nicasio watershed, attached is a list of that data.

Immediately available were the records for 1955 to date for all stocking in the drainage, the earliest plant for Silver Salmon and Steelhead is 1958 and 1960 respectively. Each listing is an individual plant.

If additional information is needed, feel free to contact me.

Sincerely,

E. Royce Gunter Jr.
Fish Hatchery Manager I
